

BEYOND THE CREST

The Smilley Family & Smilley Corporation — Document 06

A Daytime Drama

The secondary family of Beyond the Crest

Smilley Corporation: founded Monday, September 9, 1974, New York City

Home: Tuxedo Park, Buckhead, Atlanta, just across the ridge from Belmont Crest

The Feud in One Page

The Smilleys are the Donohues' fiercest rivals and competitors, and the two families are always at odds. The Donohues are old money that built Black Atlanta. The Smilleys are the family Atlanta threw out, who came back rich enough to buy the block. And the thing the Smilleys hate most: their empire still runs on Donohue oxygen.

- **1958:** Alexander Donohue fires Otis Smiley, the Beacon's press foreman, for stealing printing plates. Otis swears he was framed. His son Gus is 15.
- **1962:** Otis applies to live in Belmont Crest. Simone Donohue casts the deciding vote: no.
- **1963:** Gus leaves for Harlem, vowing to come back richer than the Donohues.
- **1966:** In New York, Gus falls for a Broadway ingenue named Joan Mercer and proposes. She says “not yet,” then goes home and marries Victor Donohue in 1969.
- **1990:** The Crown License makes Smiley dependent on Donohue characters and brands.
- **1996:** Gus moves the company to Atlanta and buys in Tuxedo Park, where he can see Summit House from his terrace.
- **1996:** Gus writes the **Allegiance Clause** into the family charter.
- **2026:** Esther, his chosen heir, has been hiding two Donohue great-granddaughters for fourteen years.

The Allegiance Clause

“No Designated Heir of Smilley Corporation shall be joined by marriage, or bound by blood through their children, to the House of Donohue. Any such heir is disqualified.” Section 4(c), Smilley Family Charter, adopted Monday, June 3, 1996.

That clause is why Esther told the world she used IVF and a sperm donor. If anyone proves that Emma and Victoria are Marc-Anthony Bullock's daughters, Esther loses everything, and Nathaniel and Camille get it.

AUGUSTUS “GUS” SMILLEY

Born: Monday, March 8, 1943 • **Age:** 82

Title: Founder & Chairman Emeritus, Smilley Corporation; head of the Smilley Family Council

The Founder. Gus is 82 and still sharp: charming, vindictive, and funny. He has spent sixty years trying to prove that Alexander Donohue was wrong about his father. He built a \$1.6 trillion company out of a Harlem pharmacy and a grudge. He still keeps Joan Mercer's 1966 reply letter in his desk.

- Born in Vine City, Atlanta. Watched his father fired in 1958 and the family rejected by Belmont Crest in 1962.
- Moved to Harlem at 20. Married Loretta Hayes in December 1963. Separated from her in 1966 while he chased Joan Mercer, then came home to Loretta for good in 1967.
- Founded Smilley Corporation in 1974 and moved it home to Atlanta in 1996. Wrote the Allegiance Clause the same year.
- Named Esther heir over his son's older children because “she's the only one who's as mean as me.”

IN THEIR OWN WORDS

GUS

The Donohues own the sky over Atlanta. Fine. I own everything people buy while they're looking up at it.

LORETTA SMILLEY

Born: Saturday, July 21, 1945 • **Age:** 80

Title: Co-founder; creator of Loretta's Crown Pomade

The Matriarch. Loretta is the quiet genius: her hair pomade, mixed in a Harlem kitchen in 1971, was Smilley Corporation's first product. She forgave Gus once. She's never forgiven Joan.

- Harlem beautician turned billionaire chemist.
- Knows every secret in the family, including Esther's. She has figured out the twins, and she is saying nothing, for now.

IN THEIR OWN WORDS

LORETTA

I built this company with a spoon and a stove,
baby. Don't you dare tell me what I can't cook.

LEONARD SMILLEY

Born: Sunday, October 11, 1964 • **Age:** 61

Title: Chairman & CEO, Smilley Corporation (CEO since 2003; Chairman since 2020)

The Son. Leonard is a brilliant operator in his father's shadow, obsessed with freeing Smilley from Donohue dependence. He secretly funds Pryor's primary challenge to Jasmine.

- Howard University and Harvard Business School.
- Grew Smilley from \$40 billion to \$1.6 trillion, and resents that the Crown License made half of it possible.

IN THEIR OWN WORDS

LEONARD

Every dollar we make, Donohue takes a cut. I
want a company that doesn't have to say thank
you.

CELESTE SMILLEY

Born: Tuesday, February 22, 1966 • **Age:** 59

Title: Chair, Smilley Family Foundation; Atlanta society general

The Social General. Celeste is a Beaumont of New Orleans, elegant and ferocious, and she runs Atlanta society's calendar. She adores her grandchildren and her daughter Esther, in that order.

- Beaumont family, New Orleans. Spelman class of 1987.
- Her lifelong rival is Joan Donohue. Their charity galas are held on the same night every year.

IN THEIR OWN WORDS

CELESTE

Joan Donohue has a Foundation. I have a guest
list. Guess which one people actually want to be
on.

DELPHINE SMILLEY

Born: Thursday, May 2, 1968 • **Age:** 57

Title: President, Smilley Home

The Truth-Teller. Delphine is Gus's daughter, three times divorced and never boring, and the one Smilley who says what everyone thinks. She's the family's wild card and Desmond's fiercest defender.

- Runs the Smilley Home division: furniture, bedding, and home fragrance.
- Secretly friends with Alvin Donohue since a 1999 night in Monaco nobody talks about.

IN THEIR OWN WORDS

DELPHINE

This family has more skeletons than closets, and
I'm the only one who ever opens a door.

NATHANIEL SMILLEY

Born: Thursday, March 14, 1985 • **Age:** 40

Title: EVP; President, Smilley Consumer & Digital (includes RootsKit)

The Eldest Son Who Was Passed Over. Nathaniel is 40, polished, cold, and patient. He was raised to be heir and lost the title to his little sister. His RootsKit DNA division becomes the weapon that exposes her.

- Born Leonard Nathaniel Smilley Jr., named for his father. He has gone by his middle name since kindergarten, because the house only had room for one Leonard.
- Morehouse and Stanford MBA. Launched RootsKit in 2017.
- Forms the “Spare Alliance” with Martin Olson (Ep #0058).
- Secretly finances Harmony's film to get close to Esther.

Monique was a Donohue Records R&B star until Alvin Donohue dropped her from the label in 2009. She married a Smilley and never forgot it.

- Mother of Trey.
- Wants revenge on Alvin the day he comes home (Season 1, second half).

IN THEIR OWN WORDS

MONIQUE

Alvin Donohue ended my career over a bar tab. I married up just to watch him fall down.

LEONARD “TREY” SMILLEY III

Born: Sunday, January 22, 2012 • **Age:** 13

Title: 8th grader, Westbrook Academy

Leonard Nathaniel Smilley III, called Trey because he's the third Leonard in a row: grandfather Leonard, father Leonard Jr. (who goes by Nathaniel), and him. He's charming, cocky, and quick. He is Lyric Baker's first crush. Romeo, meet Juliet.

- Classmate of the twins and Lyric.
- Kisses Lyric on the first day of 9th grade (Ep #0149), and Victoria punches him.

IN THEIR OWN WORDS

TREY

My grandpa says never trust a Donohue. Lyric's not a Donohue. Technically.

CAMILLE SMILLEY-WARD

Born: Wednesday, November 2, 1988 • **Age:** 37

DORIAN WARD

Born: Saturday, July 9, 1983 • **Age:** 42

The Smilley Family Council

The Class B holders (Gus, Loretta, Leonard, Esther, Nathaniel, and Camille) sit on the **Smilley Family Council** under the 1996 Family Charter. The Council votes by Class B shares. Gus alone holds 38%; with Loretta or Leonard beside him, he has a majority.

Rules that drive the drama

- **The Designated Heir** inherits Gus's Class B shares when he dies. With her own, that would give Esther over half of the family's votes and make her the most powerful Smilley alive.
- **Section 4(c), the Allegiance Clause:** disqualifies any heir tied to the House of Donohue by marriage or through their children. The Council can invoke it by a majority of Class B shares.
- **Succession if disqualified:** the title passes to the eldest eligible grandchild. That's Nathaniel.
- **Season 1:** Nathaniel presents the RootsKit evidence at the Family Council (Ep #0163). Gus invokes Section 4(c) with Leonard's votes (Ep #0164). Esther is suspended unless a DNA test clears her by Labor Day (Ep #0165).
