A Daytime Drama

Season 1: Episodes #0001–#0170

Monday, January 5, 2026 – Friday, September 4, 2026

Total characters: 85

How to Read This Document

- Characters are grouped by contract category, the way a real daytime soap's casting office tracks them.
- **Episode counts are computed from the Season 1 episode guide (Document 09):** each episode's headline cast plus its scheduled runner scenes. They will always match the guide.
- Main character doesn't mean every episode. Focus rotates: a contract player can be off for a week and then carry the next.
- Ages are as of the premiere, Monday, January 5, 2026.
- Alvin Donohue joins in Ep #0085 (Wed, May 6, 2026), the halfway point of the season. Theodore Donohue and his family arrive in the final four episodes (Eps #0167–#0170) and become Core cast in Season 2.

The Opening Credits

The main titles run about 60 seconds, set to the theme “*Beyond the Crest*”: strings, a gospel choir, and a slow 808 heartbeat. Only the Core / Contract cast appears in the main titles. Victor, Joan, Natasha, and Jasmine each get their own unique sequence. Everyone else shares the ensemble sequence. Featured Contract players appear on an “Also Starring” card at the end.

1. Victor Donohue: “The King”

Dawn over Belmont Crest. The camera climbs the Summit House grand staircase to find Victor at the top, silhouetted against a stained-glass window of the 1939 Beacon press. He turns the brass key to that press in his fingers and looks straight down the lens. **VICTOR DONOHUE** is stamped across the screen in gold type.

2. Joan Donohue: “The Queen Mother”

The Summit House rose garden. Joan in white, pouring tea into two cups. Behind her, a wall of framed Emmy, Grammy, Oscar, and Tony photos. She sets down the second cup for someone not yet in frame, and smiles like she knows exactly who's coming. **JOAN DONOHUE** in rose-gold script.

3. Natasha Bullock: “The Queen Regent”

The top-floor boardroom of Donohue Tower, the Atlanta skyline at night. A red-carpet flashbulb freezes into a stock-ticker glow. Natasha walks the length of the boardroom table in stilettos as 30 board members stand. She places her new Oscar at the head of the table. **NATASHA BULLOCK** in bold silver type.

4. Congresswoman Jasmine Olson: “The Firstborn”

The steps of the U.S. Capitol, then the Georgia State Capitol dome. Jasmine at a podium, a sea of campaign signs. She takes off her reading glasses mid-speech and the crowd roars. A final beat: she looks back toward the Summit House portrait wall, where she was always first. **JASMINE OLSON** in navy-and-gold type.

5. Alvin Donohue: “The Wild Card” (added from Ep #0085)

A helicopter swoops over the Riviera, then over Belmont Crest. Alvin on a yacht deck at midnight, then in a smoky back room shaking hands with men whose faces we never see, then on a VIP balcony with champagne raining down. He tips his sunglasses down and winks. **ALVIN DONOHUE** in neon-gold type that flickers once, like it's up to something. Starting with Ep #0085, his sequence plays right after Jasmine's.

6. The Ensemble Sequence

One continuous gliding shot through the Belmont Crest gates: the Summit House fountain, the Country Club terrace, the 18th green above the Chattahoochee, Midtown's towers, a Westbrook Academy hallway, APD headquarters, a courtroom, and Tuxedo Park across the ridge. Each actor appears in a single signature moment, with their name in white serif type, in alphabetical order by last name:

Order	Credit	Signature moment
1	AMOND BAKER	Amond fastens his cufflinks, eyes on the camera
2	LYRIC SOLACE BAKER	Lyric twirls on a soundstage under one spotlight
3	ROBERT BULLOCK	Robert snaps a briefcase shut in an empty courtroom
4	MARC-ANTHONY BULLOCK	Marc-Anthony laughs on a red carpet, then turns, and his smile goes cold
5	GRACE BULLOCK	Grace sings one note on a Broadway stage
6	ARIANNA CUMMINGS	Arianna takes the oath with her hand on a Bible
7	HARMONY DIVINE	Harmony frames a shot with her fingers, alone on a rooftop
8	ELXA JACKSON	Elxa pins on four stars in her dress blues
9	DET. JEREMY JACKSON	Jeremy writes in a notebook at a crime scene
10	DR. PETER OLSON	Peter snaps on surgical gloves
11	MARTIN OLSON	Martin buttons his jacket in a mirror, and the reflection doesn't smile
12	MALLORY OLSON	Mallory signs a contract and caps her pen
13	ESTHER SMILLEY	Esther on her Tuxedo Park terrace, looking across the ridge at Summit House
14	EMMA SMILLEY	Emma curtsies at a piano recital
15	VICTORIA SMILLEY	Victoria cartwheels across a school lawn

7. “Also Starring” Card (Featured Contract Cast)

Julian Cummings, Journee Holloway, Kane Mitchell, Augustus “Gus” Smilley, Leonard Smilley, Celeste Smilley, Nathaniel Smilley, Desmond Smilley, Camille Smilley-Ward.

8. Title Card

The camera rises past Summit House into clouds as the choir hits the final chord. **BEYOND THE CREST** glows in gold over the ridge.
